PART II

The following is a summary of BPP activities within the Charlotte Division during the month of September, 1970: ( )

The group continues to receive and sell BPP newspapers and articles continue to be published in the BPP newspaper bylined Winston-Salem. It is noted that one of these articles sets forth that the group at Winston-Salem was the only officially recognized BPP group in North Carolina. They continue to have financial difficulties and there is dissension and dissatisfaction within the leadership. ( )

About ten members of the group attended the Repressed Peoples Constitutional Convention at Philadelphia, Pa., 9/5 - 7/70 accompanied by approximately 25 individuals from Winston-Salem not known to be members. The group traveled in a rented truck and rented cars. ( )

INFORMATIVE NOTE

Date 10-30-70

Attached relates that a group of Negroes claiming to be Black Panthers broke up the meeting of the Redevelopment Commission in Lumberton, North Carolina, on 10-29-70. Subsequently, there was an exchange of gunfire. Because of this shooting incident and the organization of an organization called National Committee to Combat Fascism (another name for Black Panther Party), there was considerable tension in the Lumberton area.

Copy of attached sent Inter-Division Information Unit and Special Interdivisional Unit of the Department. Pertinent parts will be included in teletype summary to the White House, Vice President, Attorney General, the military and Secret Service.

BLACK PANTHER PARTY (BPP),  
also known as  
Black Panther Party for Self-Defense

According to the official newspaper of the BPP, the BPP was started during December 1966 in Oakland, California, to organize black people so they can take control of the life politics, and the destiny of the black community. It was organized by BOBBY G. SEALE, BPP Chairman, and HUEY P. NEWTON, Minister of Defense, BPP.

The official newspaper, called "The Black Panther," regularly states that the BPP advocates the use of guns and guerrilla tactics in its revolutionary program to end oppression of the black people. Residents of the black community are urged to arm themselves against the police who are consistently referred to as "pigs" who should be killed.

The newspaper, in its issue of September 7, 1968, had an article by the then Minister of Education, GEORGE MURRAY. This article ended with the following

"Black men. Black people, colored persons of America, revolt everywhere! Arm yourselves. The only culture worth keeping is revolutionary culture. Change. Freedom everywhere. Dynamite! Black power. Use the gun. Kill the pigs everywhere."

The BPP newspaper, issue of October 5, 1968, had an article introduced with the following statement: "We will not dissent from American government. We will overthrow it."

DAVID HILLIARD, Chief of Staff, BPP, in a speech at the San Francisco Polo Field on November 15, 1969, said "We will kill Richard Nixon."

DAVID HILLIARD, in the "New York Times," issue of December 13, 1969, was quoted as follows: "We advocate the very direct overthrow of the government by way of force and violence."

In the issue of April 25, 1970, the BPP newspaper had an article by Minister of Culture EMORY DOUGLAS as follows:

"The only way to make this racist US government administer justice to the people it is oppressing, is...by taking up arms against this government, killing the officials, until the reactionary forces are dead, and those that are left turn their weapons on their superiors, thereby passing revolutionary judgement against the number one enemy of all mankind, the racist U.S. government."

The BPP Headquarters is located at 1046 Peralta Street, Oakland, California. Branches of the BPP, and Committees to Combat Fascism, under control of the BPP, have been established in various locations in the USA.

BARBARA C. WESTMORELAND at Winston-Salem, North Carolina, has been publicly identified as being the defense attorney for members of the Winston-Salem National Committee to Combat Fascism (NCCF) in local cases. The Winston-Salem Telephone Directory reflects that Miss BARBARA C. WESTMORELAND maintains law offices at 300 North Main Street, Room 2323, and resides at 225 North Peace Haven Road, Apartment 20, Winston-Salem, North Carolina. [REDACTED] Miss WILLARD is an unmarried white female who has been publicly identified as the local American Civil Liberties Union affiliate at Winston-Salem, North Carolina. He had no information that her relationship with members of the Black Panther Party (BPP) was other than attorney-client.

The Charlotte, North Carolina, City Directory lists GEORGE S. DALY, JR. as being a member of the law firm of Casey and Daly, 730 East Trade Street, Charlotte, North Carolina, with home address of 201 Wales Avenue, Charlotte, North Carolina.

During June of 1969, DALY was the attorney of record in a civil action filed in United States District Court, Western District of North Carolina, at Charlotte, North Carolina,

wherein a complaint and motion for preliminary injunction was filed on behalf of seventeen plaintiffs, the majority of which were reported to be preparing for membership in the BPP. The suit was against city, county, state, and Federal law enforcement agencies at Charlotte, North Carolina, and alleges violations of the group's civil rights by police harassment requesting \$10,000 damage for each of the seventeen plaintiffs.

As of October 16, 1970, the suit has not been adjudicated, however, has been dismissed in connection with sixteen of the seventeen plaintiffs.

[REDACTED]

On May 9, 1970, DALY, representing the American Civil Liberties Union, was a speaker at a rally held in Freedom park, Charlotte, North Carolina, protesting the death of Ohio College students and the war in Southeast Asia. DALY, during his speech, referred to the Charlotte Police Department as "the enemy" and gave the talk upon the right of peaceful assembly to protest.

During August of 1970, DALY was listed on literature of the Southern Legal Action Movement to be a speaker at their annual summer institution on drug defenses.

On October 15, 1970, DALY was the speaker at a rally at Freedom Park, Charlotte, North Carolina, sponsored by the Progressive Political Union, a New Left type student group at the University of North Carolina, Charlotte, protesting United States involvement in Southeast Asia. DALY quoted from the speeches of H. RAP BROWN, a former leader of Student National Coordinating Committee (SNCC), emphasizing that violence was an American trait.

A characterization of BPP and SNCC are attached as appendices to this memorandum.

STUDENT NATIONAL COORDINATING COMMITTEE (SNCC)

A source advised the Student National Coordinating Committee (SNCC), formerly known as the Student Nonviolent Coordinating Committee, is a nonmembership organization founded in 1960, during the civil rights movement in the South.

Under the leadership of Stokely Carmichael, who served as National Chairman during the period 1966-67, SNCC evolved from a civil rights oriented group into a full-blown black revolutionary organization.

A publication entitled, "1967 High Tide of Black Resistance" indicates the year 1967 was considered by SNCC as a historic milestone for the liberation of black people in the United States and the year that revolutionaries throughout the world began to understand more fully the impact of the black movement. The publication declared that "liberation will come only when there is final destruction of this mad octopus--the capitalistic system of the United States with all its life-sucking tentacles of exploitation and racism that choke the people of Africa, Asia, and Latin America. The realities of black life, together with the recognition instilled in SNCC workers, forced its members to further popularize the legitimacy of self-defense and rebellions when oppression became too great."

A second source advised that H. Rap Brown succeeded Carmichael as National Chairman of SNCC in May, 1968, and served in that capacity until June, 1968, at which time SNCC reorganized, creating ten deputy chairmen in an effort to relieve pressure by law enforcement.

In April, 1969, SNCC moved its national headquarters from Atlanta, Georgia, to New York City, where it is presently located.

H. Rap Brown announced at a press conference in New York City on July 22, 1969, that he had been elected Chairman of the Student Nonviolent Coordinating Committee. He announced the organization was dropping the word "Nonviolent" from its title and will be known as the Student National Coordinating Committee, with a Revolutionary Political Council functioning as its governing body. Brown, at that time, stated the use of force is necessary in obtaining revolutionary goals.

I. REVOLUTIONARY PROGRAM AND POLICIES AS  
EXPRESSED BY BLACK PANTHER PARTY LEADERS

On September 15, 1970, [REDACTED]

[REDACTED] advised that, [REDACTED] approximately thirty-five individuals from Winston-Salem attended the Revolutionary Peoples Constitutional Convention which started September 5, 1970, at Philadelphia, Pennsylvania. Among these were JULIUS WHITE CORNELL, JR., JAMES FORD, JAMES CATO, LARRY LITTLE, and WILLIAM GARY, along with LEE FAY MACK, her daughters, RUTH and HAZEL MACK, and her husband, HAZEL LEE MACK. The group departed Winston-Salem on the night of September 4-5, 1970, in a van-type truck rented by JULIUS CORNELL, a Ford Torino, rented by LEE FAY MACK, and a station wagon (Ford), rented by JULIUS CORNELL. CORNELL had approximately \$800 in expense money which was all used in view of the fact the group left on September 4, 1970, and returned on September 8, 1970. They stayed at a church on Seventh Avenue near Temple University. In addition to the individuals named as attending, [REDACTED] advised that the rest of the group was made up of members of the community who reside near the Panther Headquarters. '1

[REDACTED]

[REDACTED]

On September 25, 1970, SF T-16 reported that an unidentified individual from North Carolina had traveled in various areas of North Carolina and in addition, had talked to someone in Atlanta, Georgia, concerning getting a train in connection with the Revolutionary Peoples Constitutional Convention. This individual was reportedly to attend a staff meeting to be held in New York on September 26, 1970. (U)

In addition, NY T-66 reported that [REDACTED] (phonetic), a Black Panther Party member functioning out of Winston-Salem, North Carolina, had traveled in cities throughout North Carolina and South Carolina, attempting to create interest in establishing BPP community centers and to raise money for the convention. (U)

[REDACTED] at Winston-Salem, North Carolina, as JULIUS WHITE CORNELL, JR., the Defense Captain of the Winston-Salem National Committee to Combat Fascism (NCCF), a BPP affiliated group. (U)

[REDACTED]

JULIUS WHITE CORNELL, JR., was a section leader in the Winston-Salem NCCF and had attended a "staff meeting" over the past weekend in New York. (It is noted this would have been the weekend of September 26-27, 1970). (U)

On October 9, 1970, [REDACTED]

[REDACTED] became aware of two vehicles with New York State tags on them. These vehicles spent three or four days in the Negro area of Lumberton and

contained numerous occupants. They were not identified nor were the license plates copied down. On or about the first of October, these vehicles had disappeared and the following sign was erected on the yard of BETTY JEAN McNEAL, 817 Fairmont Road, Lumberton, North Carolina: (U)

"Revolutionary Peoples Constitutional Convention, power to the black man, kill the pig. Black Panther Party."

During the weekend of October 3-4, 1970, meetings were held with groups of Negroes at Lumberton Recreation Center, and also at the house of an unidentified Negro male, residing at 813 Fairmont Road. (U)

On October 9, 1970, [REDACTED]

[REDACTED] that unidentified individuals were in High Point recently attempting to recruit Negroes to go to the Revolutionary Peoples Constitutional Convention. [REDACTED]

[REDACTED] that fare, food, and housing will be taken care of and there is some indication the group will go by train. (U)

On October 10, 1970, [REDACTED]

[REDACTED] that organizing teams from the BPP had gone to Raleigh, Durham, Fayetteville, Lumberton, and Charlotte, North Carolina, attempting to gain support for the BPP conference to be held in Washington, D. C. (U)

On October 9, 1970, [REDACTED]

[REDACTED] made available the following flyer which is being handed out in the Negro community of Winston-Salem: (U)

# TOWARDS A NEW CONSTITUTION

REVOLUTIONARY PEOPLE'S CONSTITUTIONAL CONVENTION  
Washington, D.C. November 6-10

For 400 years now, Black People have suffered an unbroken chain of abuse at the hands of White America. For 400 years we have been treated as America's foot-stool. This fact is so clear that it requires no argumentation.

For further information contact the Revolutionary People's Constitutional Convention Information Center nearest you.

The Revolutionary People's Constitutional Convention has been called because it affects all people living in this oppressive society. The Black Panther Party takes the position that the present Constitution has not, is not, and will not serve the people. In order that the people be guaranteed the highest form of living in the present affluent society; we will have to combine our energies in order that we have land, food for our hungry people, decent housing, education, clothes, and justice and peace.

II. ACTS IN FURTHERANCE OF THE REVOLUTIONARY  
PROGRAM OR POLICIES

On September 16, 1970, [REDACTED] Senior Army Instructor, Reserve Officers' Training Corps (ROTC), Atkins High School, Winston-Salem, North Carolina, advised he is establishing a ROTC Unit at this high school and has obtained some of his supplies from Fort Bragg, North Carolina. In August, 1970, while at Fort Bragg with a truck for other supplies, he obtained screens described as ten four feet by eight feet heavy duty screens, Stock Number 5450-526-4565, and two four feet by eight feet heavy duty screens, Stock Number 5340-526-4560, from [REDACTED] Chief Storage Section, Fort Bragg, North Carolina. He did not have to sign any document to obtain these screens which were apparently spare screens which Colonel [REDACTED] possessed. The screens were taken to Winston-Salem and placed in the yard of Atkins High School. U

[REDACTED] stated on September 16, 1970, he drove past the BPP Headquarters, 1602 East Fourteenth Street, Winston-Salem, North Carolina, and observed some screens which were similar in appearance to captioned screens nailed over windows of BPP Headquarters. Upon checking the high school, he found that the screens which he had placed in the yard were missing. U

[REDACTED] Chief Storage Section, Fort Bragg, North Carolina, stated [REDACTED] legitimately draws supplies from Fort Bragg, North Carolina, and on August 24, 1970, came to Fort Bragg and requisitioned ten weapon racks. On this occasion, [REDACTED] gave him the screens, described above, which were left over from an order he had previously made for his own use. Accordingly, no requisition was submitted and no record made of this property transaction. [REDACTED] stated that accountability for this property ended when these screens were issued to Central Storage, Supply Division, Fort Bragg, North Carolina, and [REDACTED] was not required to place them on inventory. He advised that the screens without the door panel are expendable. He stated the screens do not have a unique serial number but have a stock number which is the same on all screens of the same type but which will not serve for individual identification. U

[REDACTED] stated screens of this type have been in military stock for approximately two years. The total number produced is not known nor is it known if they are made for civilian sale. The above-described screens would have a total value of \$299.80. They were manufactured at USONA, 3512 Chouteau, Saint Louis, Missouri, under DSA Contract Number 700-69-9542. They were sent from the manufacturer to the Arms Depot at Granite City, Illinois, and from there to Fort Bragg, North Carolina. (U)

V. EVIDENCE OF NATIONAL UNITY

During the period of September 1, 1970, to October 8, 1970, SF T-22 reported that the BPP group at Winston-Salem, North Carolina, was in regular receipt of shipments of the BPP Newspaper, receiving from three to five boxes per week. During this period, one weekly order, according to SF T-22, was for 2,500 papers. (1)

It is noted that SF T-16 reported during August, 1970, that there had been difficulty with the group at Winston-Salem, North Carolina, not ordering their papers correctly and were at times behind in their payments for newspapers.

# ANOTHER VICTIM OF UNHUMAN LIVING CONDITIONS

Point number 4 of the Platform and program of the Black Panther Party states that: "We want decent housing fit for the shelter of human beings, and that if the landlords will not give decent housing to the people that the housing and the land should be made into co-operatives so that our community with government aid, can build and make decent housing for the people."

shack for a long time. Miss Brown also said that one of her kids was bitten on the ear by a rat. She said that she has told the landlord to fix the house and to deal with the rats for the safety of her kids, but the pigs just let it go in one ear and out the other, with his hand still stuck out for more money. Like the low down, lowlived, greedy mad dog that he is. People are becoming aware that

## CHILD BITTEN BY RAT

In Winston-Salem on 11th street, a sister by the name of Miss Brown is another victim of the rat infested shacks when going in the community to do section work we the people of the N.C.C.F. here talked to Miss Brown. She told us that the rats in her house are as big as cats. She said that if she puts down a loaf of bread at 10 p.m. that at 11 p.m. the rats would have eaten the bread and gone. This kind of crap has been going on here in Winston-Salem and all over racist Babylon. The people have been living in these unfit houses and these rat infested

all these unhuman unjust treatments are all linked with the pig trio Nixon-Agnew-Mitchell, and that you pigs never meant for the people to have life, liberty and pursuit of happiness. Now that the people are starting to see through your madness and your tricks, it will be only a matter of time before we will have that bar-b-que that Papa Rage was talking about.

ALL POWER TO THE PEOPLE!  
SEIZE THE TIME AND THE LAND!

## JAMES CATO OF WINSTON SALEM SUBJECTED TO FASCIST FRAME-UP

James Cato, 26, year old resident of Winston-Salem has now been added to the many attempts by the pigs of the power structure to be framed. This case is just one of many where trumped up charges have been placed on brothers who in some kind of way are striving for freedom and liberation in Babylon and Winston-Salem.

Brother Cato was arrested at his home in the darkness of the night (Fred Hampton Hour 5:00 a.m.) on the trumped up charges of robbery. Thursday morning 8/20/70, brother Cato was asleep in bed when 10 carloads of pigs armed to the gills and looking like Nazi storm troopers (foaming at the mouth) approached his house. His parents not knowing what was coming down were really astounded to find so many pigs at their house that early in the morning. Cato, himself not knowing what was happening was not the least bit surprised to see so many fascist at his house because of the situation at hand here in recent days in Winston.

Earlier today when he was first arrested he was charged with robbery; of what, no one knows. Later on in the evening he was charged with storebreaking and larceny. The fascist dogs being the cooiving artists they are became stumped when it comes to determining which trumped up charges are best suited at this particular time. But when it comes to tactics employed by them, they don't need much decision making ability because a fascist doesn't need much of a mind. They know they don't need much of a case, which is not their main concern anyway. They

are more concerned with harassing and intimidating him about his political work than anything else.

It is very important to mention the fact that the brother just came out of the fascist and racist army of the U.S. He came to the N.C.C.F. headquarters shortly after his arrival home from the army. He was very inquisitive and sought knowledge concerning the N.C.C.F. and the Black Panther Party. After enlightening him to some of the principles and guides governing our party and the position we took on the present system, he began to question our analysis of the power structure and how it operates in a round about way. We pointed out to him time after time; that if we couldn't organize him and some of the other people with the same reluctance around revolutionary principles, that the pigs would organize him around pig principles. I hope that this incident has made the fascist pigs position very clear when it comes to Black people in Winston as well as all of that repression breeds resistance and we hope that the brother understands this also and will move on a higher level to deal with the oppressor in a righteous manner.

We are in the process of raising money for his bond, if the people of Winston-Salem would like to make donations please send checks or money orders to: Rickie Hooper 1502 East 14th st. Winston, Salem, North Carolina.

## TO THE PEOPLE WHO ARE GOING BACK TO THE HIGH SCHOOL AND COLLEGE CAMPUSES

Point No. 5 of our Platform and Program says that "We want education for our people that explains the true nature of this decadent American society. We want education that teaches us our true history and our role in the present day society," and "That we believe in an educational system that will give to our people a knowledge of self. If a man does not have knowledge of himself and his position in society and the world, then he has little chance to relate to anything else."

Here in Winston-Salem, N.C., on September 2nd, and in other towns across the country marks the beginning of another year of indoctrination. Basically an education is simply passing on the heritage, and learning, the wisdom and the technology of human history, passing it on to the coming generations. This information should be passed on to enable and to help mankind to continue to cope with our environments. At this time the environment that poor and oppressed people should be coping with is the social environment and at the head of that social environment is a pig trio: Nixon, Agnew and Mitchell, who are the enemies of all the people, because they are the ones who are perpetuating the oppression of our people. They are the same pigs who have people living in unjust conditions along with pigs like Tucker in Winston-Salem and J.E. Hoover. All these

pigs are keeping us living like this, in a degraded position.

They are the same pigs, along with other f---keys on the college campuses and the high school campuses who call themselves teachers and administrators.

The only thing that the teachers should be teaching at this time is how people on the college campuses and high school campuses, can throw off the shackles of slavery.

By pointing out to these people who their real enemy is. They must show the people the real reason why the pigs are trying to send Bobby Seale to the electric chair along with Lonnie and the rest of the New Haven 9. They should let the people find out why people live in rat infested shacks, why is it that Black people's Constitutional Rights are violated. Tell the people all of these things.

And if they can't tell the people that, then we, the people should ask them to step forward so that they can deal with them. The people should ask, "What's first, your job teaching indoctrination or brothers like the Chairman going to the electric chair for our freedom, and if they would say their job is first, then the people should close down the high school campuses, close down the college campuses, and take to the streets. Because the streets belong to the people.

The people on these campuses should let the pigs know that these are the things that they would like to know and if these pigs can't produce this information then the people can see the decadency of this country.

They should tell the people how the White people got their freedom and let the people know that when White people were colonized that they picked up the gun. They dealt with their colonizer, on that level and that that is the only way we can get our freedom. These are the things that people need to know that have not been told to them. So let it be heard across the land that the people on the campuses would like to have an education that is explained in No. 5 of the Ten Point Platform and Program of the Black Panther Party.

## PIGS MOVE ON HIGH SCHOOL CAMPUSES IN WINSTON-SALEM, N.C.

The Imperialistic Armed forces of the reactionary United States has initiated a ROTC program on the campuses of two Winston-Salem high schools. An army ROTC has been started at Martha Forsyth High School, a predominantly White school. It seems now the fascist murderers can't wait to recruit and indoctrinate our youth with the degenerate philosophy of the ruling circle.

They are attempting to make killers of our youth as the military industrial complex continues to wage imperialist wars of aggression against countries throughout the world. It is important that we at this time expose the intention of these pigs to the people. We know that they only

want to use our youth, your sons as cannon fodder. The only ones who will benefit from these wars of aggression will be the ruling class.

All parents should demand that the ROTC programs be removed from the campuses of the high schools. No parents should want their sons to participate in incidents such as My Lai and Sung Thy, which resulted in the mass slaughter of women and children. It should also be kept in mind that what happened in these two incidents is a common occurrence and not isolated incidents.

The ROTC (reserved officers training corps) is nothing more than a program to turn the youth into pigs and make them part and

parcel of the fascist war machine of the United States. We must all call for the abolishment of these fascist programs from our campuses, colleges and high schools before your own sons become enemies of the people of the entire world.

All parents and students may come to the people's community center at 1602 E. 14th St. to discuss this issue. We must all work together to expose this fascist pig system to all the people.

## MORE PIG OPPRESSION IN WINSTON-SALEM

We make no distinction between pigs. We say a pig is a pig is a pig. Whether he be Black or White, green or yellow or polka dot. No doubt about it, the Winston-Salem pig department has got to be the most fearful bunch of so-called law enforcers there are. It is clearly evident that these pigs headed by chief, pig Un-Justice Tucker don't know right from wrong, which is typical characteristic of all pigs. Take for example the community of Boston.

In this particular community lives the haddest niggers in Winston-Salem. Pig Tucker was made quite aware of this some time ago. So in order for him to deal with that he endorses the jive pacification program to get off into the

community, such as the Model "Folkey Pig" city poverty program designed to help rid the people of their problems and grievances. This jive program is also known as so-called, community pig relations. However, we know much better than this. We know that this is nothing more than a scheming plot to infiltrate the community, brainwash the people into thinking that they are working in the best interest of the masses, seeking to divide the people and come along to conquer. These pigs evidently have been slacking in their game which is quite easy to see.

On August 18th, their community precinct was firebombed and destroyed. This tremendous act of

aggression towards them should make the community's stand be crystal clear. However, the racist dogs and their bootlicking nigger lackeys feel that they might attempt to start all over again. Well, let them do this and we know that the people will only stand that much more taller, and be much more stronger and then off the pigs for good. So we say much, much later to the model pig city poverty pacification program and its endorsers and supporters and may it be dealt with accordingly.

## TO THE PEOPLE OF NORTH CAROLINA

Reports have constantly gotten back to National Headquarters of the Black Panther Party and its organizing bureau in Winston-Salem the National Committee to Combat Fascism, concerning so-called Chapters and Branches and N.C.C.F. of the Black Panther Party, being started in Charlotte, Greensboro, Durham and other cities in North Carolina. This statement is made to let the people of North Carolina know the N.C.C.F. in Winston-Salem is the organizing bureau of the Black Panther Party in the state of North Carolina. People in the Black community should be informed of the fact that there are numerous provocateurs, fools, and pigs running throughout North Carolina and fascist Babylon, claiming to be members of the Black Panther Party.

There have always been devious methods used by the pig power structure to discredit and vilify the Black Panther Party. Even on some occasions so-called Chapters of the Black Panther Party have been started by pigs who

commit all kinds of piggy acts against the people in the name of the Black Panther Party. These pigs along with their running nigger dogs have done irreparable damage to the Black Panther Party. With these pigs and fools committing this madness in the Black Panther Party's name, it becomes very difficult to organize in these cities, thus slowing up people's revolution.

The Charlotte N.C. is a classical example of how pigs and fools can do damage to the Black Panther Party. The city of Charlotte is the largest city in the state of North Carolina and has a heavy population of poor oppressed Black people. This city was an ideal place to organize people in, because of poverty and police brutality. The pigs were very hip to that and that is why they paid some niggers to start putting on black leather jackets, berets, and pants and even got them some guns to go show off with shooting in the Black community. These fools

would go out at night armed and started marching and shooting up in the air and even shooting brothers from the community talking about "We are mighty, mighty Panthers and we don't give a hoot about the pigs." But when the pigs would come these Black fools would start running from their horses.

Panthers do not commit crimes against the poor oppressed Black masses and any niggers running around committing crimes against the people talking about they're Black Panthers you can rest and be assured that they are fools and pigs and definitely not Black Panthers. People of the community should in no way aid such bandits and pigs rather they should expose them for what they are and report all information concerning these niggers to the National Committee to Combat Fascism in Winston-Salem or the National Headquarters of the Black Panther Party.

## THE PEOPLE OF WINSTON-SALEM SEIZE THE TIME TOWARDS A BETTER CONSTITUTION

From the very first moment Tucker's Raiders learned that the people of Winston-Salem were going to attend the Revolutionary People's Plenary Session they made an attempt to halt them. The pigs had informed local bus companies not to charter any buses going to Philadelphia. They feared that when the participating brothers and sisters returned with a higher level of revolutionary consciousness that the people would be even harder to deal with. However, the people of Winston-Salem were determined that they were going to attend at any expense so they traveled on trucks and trailers.

In Philadelphia the brothers and sisters were once again exposed to tactics of the pigs. They saw how Rizzo's gestapo forces occupy the community in marked and unmarked cars, plainclothes and

armed to the gills whereas the people attending the Plenary Session were unarmed. They also got a good look at agent provocateurs when several agents tried to get revolutionary minded people to march on City Hall. This is something that Rizzo's blood-thirsty pigs had been waiting for all week. They had hopes of provoking a riot where the unarmed participants of the Plenary Session would suffer heavy losses. The masses were even hipped to his foul plan. When the pigs learned that they couldn't destroy the Plenary Session they decided to try to join the bandwagon. In Winston-Salem the press published an article stating that the Panthers and the pigs worked together to make the Plenary Session a success. Even this out-right lie failed because it only exposed the pigs as being fools.

Some of the people from Winston-Salem who attended the Revolutionary People's Plenary have expressed a desire to further educate the masses about their need for a Revolutionary People's Constitutional Convention and the Black Panther Party. The Plenary Session helped the people of Winston-Salem to understand the Black Panther Party's 10 Point Platform and Program better. Especially when Huey P. Newton, the Minister of Defense of the Black Panther Party, ran it down to the masses. The people of Winston-Salem are very proud to have taken part in the making of a new Constitution that would benefit all poor and oppressed people.

## WINSTON -SALEM NCCF MEMBER JAILED FOR POSTING REVOLUTIONARY ART

On Sept. 10, 1970 Larry Little became the victim of another fascist frame-up. Little was sentenced to thirty days as the result of a five time disorderly conduct charge. The charge stems from July 27th incident when Larry and William Gary (another member of the Winston-Salem N.C.C.F.) were putting up revolutionary posters in the community. Suddenly out of the mire pig Tuckers raiders vamped on the brothers. The community was quick to respond and they gathered ready to check the situation out. Gary and Little seized the time and told the masses about the foul tactics of the pigs. That's right, they held a political education class on the spot. They blew down the capitalistic ways of the pig power structure to the masses and told them all to deal with it.

The masses responded with cries of right on and off the pigs. By then the brothers told the people to disperse because the pigs would love nothing more than to beat some of the people's heads. Then the swine foaming at the mouth, began tearing down the posters. The people began shout-

ing you can tear down the posters but you can't tear down the revolution. The foul beast that stood before the people showed their true colors when they started grabbing people up off the street. They took Larry and Gary along with a retarded brother. In the Porky pig court (Aug. 10) Larry was found guilty. The fascist judge and prosecutor quickly saw the need to rid the people of anyone who exposes the pig power structure. Larry Little is a very strong organizer. The pigs used a foolish attempt to put the brother on probation. They told him that he wouldn't have to serve any time at all if he would get a respectable job and refrain from associating with undesirable people. Brother Larry quickly turned their stupid offer down. He informed them that he already had a job, organizing the people to deal with them. We of Winston-Salem demand that Larry Little be set free!

BLACK PANTHER PARTY (BPP).  
also known as  
Black Panther Party for Self-Defense

According to the official newspaper of the BPP, the BPP was started during December 1966 in Oakland, California, to organize black people so they can take control of the life, politics, and the destiny of the black community. It was organized by BOBBY G. SEALE, BPP Chairman, and HUEY P. NEWTON, Minister of Defense, BPP.

The official newspaper, called "The Black Panther," regularly states that the BPP advocates the use of guns and guerrilla tactics in its revolutionary program to end oppression of the black people. Residents of the black community are urged to arm themselves against the police who are consistently referred to as "pigs" who should be killed.

The newspaper, in its issue of September 7, 1968, had an article by the then Minister of Education, GEORGE MURRAY. This article ended with the following

"Black men. Black people, colored persons of America, revolt everywhere! Arm yourselves. The only culture worth keeping is revolutionary culture. Change. Freedom everywhere. Dynamite! Black power. Use the gun. Kill the pigs everywhere."

The BPP newspaper, issue of October 5, 1968, had an article introduced with the following statement: "We will not dissent from American government. We will overthrow it."

DAVID HILLIARD, Chief of Staff, BPP, in a speech at the San Francisco Polo Field on November 15, 1969, said "We will kill Richard Nixon."

DAVID HILLIARD, in the "New York Times," issue of December 13, 1969, was quoted as follows: "We advocate the very direct overthrow of the government by way of force and violence."

In the issue of April 25, 1970, the BPP newspaper had an article by Minister of Culture EMORY DOUGLAS as follows:

"The only way to make this racist US government administer justice to the people it is oppressing, is...by taking up arms against this government, killing the officials, until the reactionary forces are dead, and those that are left turn their weapons on their superiors, thereby passing revolutionary judgement against the number one enemy of all mankind, the racist U.S. government "

The BPP Headquarters is located at 1046 Peralta Street, Oakland, California. Branches of the BPP, and Committees to Combat Fascism, under control of the BPP, have been established in various locations in the USA.

Your other half said he was getting his orders straight from National. He went to say the pigs have got alot of propaganda in the papers \* and the brothers are supposed to have been busted for breaking into a store. [REDACTED] then commented that SPUNK (ph) had been picked up by the FBI for murder, and they are looking for the renegades. They then discussed (a money order) which had been sent to [REDACTED] but was not cashed yet because of lack of identification and a third party who had loaned her money and then tried to cash it. [REDACTED] said that LARRY had been prosecuted and was given 30 days but no one knew where he was being held, all they would tell them was he was in North Carolina and they would know when he wrote.

RE: REVOLUTIONARY PEOPLE'S CONSTITUTIONAL CONVENTION

A characterization of the Black Panther Party is attached as an appendix to this memorandum.

BLACK PANTHER PARTY (BPP),  
also known as  
Black Panther Party for Self-Defense

According to the official newspaper of the BPP, the BPP was started during December 1966 in Oakland, California, to organize black people so they can take control of the life politics, and the destiny of the black community. It was organized by BOBBY G. SEALE, BPP Chairman, and HUEY P. NEWTON, Minister of Defense, BPP.

The official newspaper, called "The Black Panther," regularly states that the BPP advocates the use of guns and guerrilla tactics in its revolutionary program to end oppression of the black people. Residents of the black community are urged to arm themselves against the police who are consistently referred to as "pigs" who should be killed.

The newspaper, in its issue of September 7, 1968, had an article by the then Minister of Education, GEORGE MURRAY. This article ended with the following

"Black men. Black people, colored persons of America, revolt everywhere! Arm yourselves. The only culture worth keeping is revolutionary culture. Change. Freedom everywhere. Dynamite! Black power. Use the gun. Kill the pigs everywhere."

The BPP newspaper, issue of October 5, 1968, had an article introduced with the following statement: "We will not dissent from American government. We will overthrow it."

DAVID HILLIARD, Chief of Staff, BPP, in a speech at the San Francisco Polo Field on November 15, 1969, said "We will kill Richard Nixon."

DAVID HILLIARD, in the "New York Times," issue of December 13, 1969, was quoted as follows: "We advocate the very direct overthrow of the government by way of force and violence."

In the issue of April 25, 1970, the BPP newspaper had an article by Minister of Culture EMORY DOUGLAS as follows:

"The only way to make this racist US government administer justice to the people it is oppressing, is...by taking up arms against this government, killing the officials, until the reactionary forces are dead, and those that are left turn their weapons on their superiors, thereby passing revolutionary judgement against the number one enemy of all mankind, the racist U.S. government."

The BPP Headquarters is located at 1046 Peralta Street, Oakland, California. Branches of the BPP, and Committees to Combat Fascism, under control of the BPP, have been established in various locations in the USA.

Referenced Bureau airtel states that "...The Department, in connection with efforts to develop a prosecutive theory against the BPP for the violation of security statutes, has previously requested this Bureau to develop evidence regarding documents of the BPP which urge its revolutionary doctrines and to also develop evidence showing a conesion or unity between national headquarters of the BPP and its chapters and affiliates.

"Information regarding the shipment of BPP newspapers and other publications falls within the above categories and it is essential that every effort is made to develop full and complete details concerning such shipments. This should include not only the ascertaining of information contained on shipping papers and invoices but; whenever possible through established sources, the confirmation of exactly what is included in the shipment.

"It is anticipated that in the event of prosecution of the BPP, it may be extremely important to be able to conclusively prove that a specific BPP publication containing revolutionary doctrines was in fact shipped by the BPP to various BPP members and/or supporters. Accordingly, it is essential that this Bureau develop evidence of this nature in order to support possible prosecution of the BPP..."

# TOWARDS A NEW CONSTITUTION

REVOLUTIONARY PEOPLE'S CONSTITUTIONAL CONVENTION  
**washington, D.C. november 6-10**

For 400 years now, Black People have suffered an  
broken chain of abuse at the hands of White America,  
for 400 years we have been treated as America's foot-  
stool. This fact is so clear that it requires no argu-  
mentation.

For further information contact  
the Revolutionary People's Con-  
stitutional Convention Informa-  
tion Center nearest you.

The Revolutionary People's Constitutional Convention has been called because it affects all people living in this oppressive society. The Black Panther Party takes the position that the present Constitution has not, is not, and will not serve the people. In order that the people be guaranteed the highest form of living in the present affluent society; we will have to combine our energies in order that we have land, food for our hungry people, decent housing, education, clothes, and justice and peace.

BLACK PANTHER PARTY,  
Also Known As  
Black Panther Party for Self-Defense

According to its official newspaper, the Black Panther Party (BPP) was started during December, 1966, in Oakland, California, to organize black people so they can take control of the life, politics and the destiny of the black community. It was organized by Bobby Seale BPP Chairman, and Huey P. Newton, BPP Minister of Defense. Newton was sentenced in 1968 to serve 2 to 15 years after being convicted of manslaughter in connection with the killing of an Oakland police officer.

The official newspaper, "The Black Panther," which further describes itself as the "Black Community News Service," states that the BPP advocates the use of guns and guerrilla tactics in its revolutionary program to end oppression of the black people. Residents of the black community are urged to arm themselves against the police who are consistently referred to in the publication as "pigs" who should be killed.

"The Black Panther" issue of September 7, 1968, contains an editorial by BPP Minister of Education, George Mason Murray, which ends with the following:

"Black men. Black people, colored persons of America, revolt everywhere! Arm yourselves. The only culture worth keeping is a revolutionary culture. Change. Freedom everywhere. Dynamite! Black Power. Use the gun. Kill the pigs everywhere."

Included in the introduction to an article appearing in the October 5, 1968, edition of "The Black Panther" is the statement "...we will not dissent from American Government. We will overthrow it."

Issues of "The Black Panther" regularly contain quotations from the writings of Chairman Mao Tse-tung of the People's Republic of China and feature Mao's statement that "political power grows out of the barrel of a gun."

The national headquarters of the BPP is located at 3106 Shattuck Avenue, Berkeley, California. Branches have been established at various locations throughout the United States.
